On the one hand, it has an elasticizing, toning and moisturizing effect. On the other hand, it is ideal for counteracting skin dryness and flaking and promoting healing. Regular use of this cream helps eliminate the «orange peel» skin. Its efficacy is enhanced when applied after a lymphatic drainage massage. The soothing and moisturizing properties of Aloe Vera make this cream a perfect after-sun cream. DERMATOLOGICALLY TESTED CPNP REFERENCE: 2887620
