DESCRIPTION

The Aurodhea Deodorising Spray is the essential ally to always have fresh and fragrant feet. Its formula, enriched with an antiperspirant active ingredient, regulates perspiration and thus bacterial proliferation, helping reduce and neutralise unpleasant odours. Enriched with Aloe Vera, this product soothes and refreshes tired feet, preventing cracking and fungal infections. Extracts of Sage, Rosemary and Cucumber have an antiseptic, astringent and purifying action, also helping to reduce sweat production.
