DESCRIPTION

A timeless piece still revolutionary in its boldness. A perfect blend of freshness, strength and intensity. A true classic of men's perfumery with a modern and decisive attitude, a balance of effortlessness, spontaneity and uniqueness.

FRAGRANCE

Mighty and sensual, the composition is heightened by an unprecedented freshness, warmed by the sun of Grasse. The opening is denoted by a citrus accord that awakens a woody heart of Sandalwood and Iris. Delicate notes give way to the warm and powerful notes of Amber, thus revealing a spicy and oriental base. Deep and enveloping yet vibrant and fresh, it emphasizes the sunny character of the fragrance, conferring warm and radiant accents.

HOW TO USE

Spray sparingly, directly onto the area you prefer: on the neck, behind the earlobes or on the chest. Alternatively, spray ahead of you and plunge into the scented cloud.

WARNING

Do not spray on an open flame or other ignition source. Avoid contact with eyes. Keep out of reach of children.
