BUSINESS PARTNER

Distributed by Aurodhea for Chogan Group S.p.A. Registered Office: via A. Olivetti, 24 ? 00131 Roma (RM) Headquarters: via A. Riccheo, 7 ? 76121 Barletta (BT) ITALY

DESCRIPTION

Aurodhea 'Peel-off' face mask for combination and impure skin gently exfoliates the skin, removing dead cells and blackheads. It contains: Jasmine extract, which heals post-acne marks; Liquorice, which minimises superficial skin blemishes; Enantia chlorantha, with purifying properties which regulate sebum production, reduce the size of pores and the "shiny skin" effect; Aloe Vera, which soothes irritated skin, reduces redness and supports tissue regeneration; Rosemary extract, which performs an antioxidant, sebum-regulating and skin-purifying function. DERMATOLOGICALLY TESTED CPNP REFERENCE: 3419365

HOW TO USE

Apply a thin layer onto dry face after thoroughly cleansing with warm water, avoiding eye and lip contour. Leave on for 20 to 25 minutes, then gently remove. Complete cleansing with tonic for impure and acne-prone skin. Repeat 1-2 times a week.

WARNING

If in eyes, rinse thoroughly and get medical attention, if necessary. Avoid release to the environment. Avoid any accidental damage or incorrect handling that might cause product leakage. Store in a cool, dry place away from heat.

INGREDIENTS (INCI)

Aqua, polyvinyl alcohol, glycerin, alcohol denat., aloe barbadensis leaf juice powder, glycyrrhiza glabra root extract, enantia chlorantha bark extract, jasminum officinale (Jasmine) flower extract, rosmarinus officinalis leaf extract, oleanolic acid, ascorbic acid, tocopherol, pentylene glycol, PEG-40 hydrogenated castor oil, trideceth-9, bisabolol, propylene glycol, butylene glycol, potassium sorbate, sodium benzoate, ethylhexylglycerin, phenoxyethanol, benzoic acid, dehydroacetic acid, benzyl alcohol, citric acid, parfum, CI 19140, CI42090.
