DESCRIPTION

Aurodhea Baby Body Milk is specifically formulated for the sensitive skin of babies. Its delicate formula gently moisturises the skin, leaving it smooth, soft and intensely nourished. Oat extract is ideal to treat extremely dry skin, prone to atopy and itching. The use of this body milk helps to restore the skin's natural barrier and significantly improves dry skin conditions, making it also ideal for nappy changing. It is also enriched with Shea Butter, Panthenol, Aloe Vera and Marigold extract, which synergistically exert a soothing and restorative action. DERMATOLOGICALLY TESTED CPNP REFERENCE: 2884327

HOW TO USE

Apply daily, after bathing, with a cotton pad. Massage over the whole body, paying particular attention to the driest and most irritated areas. It absorbs quickly.

WARNING
