DESCRIPTION

Aloe Vera Eye Contour Cream decongests the eye contour area and reduces puffiness, dark circles and wrinkles. It promotes cell regeneration and helps the skin remain elastic and moisturized. Aloe Vera soothes and moisturize the skin. Silk Proteins stand out for their film-forming properties, which promote the formation of a protective barrier that combats dehydration. The tightening effect of this precious ingredient also helps reduce the depth of wrinkles and expression lines. Argan Oil nourishes and has an antioxidant action, while Purple Coneflower leaves the skin more moisturized and elastic. Prolonged use gives the eye contour a smoother, more relaxed and radiant appearance. DERMATOLOGICALLY TESTED NICKEL TESTED CPNP REFERENCE: 2375442

HOW TO USE

Apply a small amount of cream to the eye contour and massage gently from the outside of the eye inwards.

WARNING

If in eyes, rinse immediately with water and get medical attention, if necessary. Avoid release to the environment. Avoid falls, shocks and inappropriate handling that might cause spillage of the product. Store in a cool, dry place away from heat sources.
