DESCRIPTION

Snail Slime Foot Cream by Aurodhea is a refreshing and emollient treatment for tired feet. Thanks to the valuable active ingredients contained in Snail Slime and Propolis, its regular use helps soften the skin of your feet and reduce corns, calluses and other annoying blemishes due either to shoes worn for too long or to the continuous rubbing. It exerts an excellent repairing action as it favours the skin's healing process and relieves chapped feet. Enriched with Shea Butter, Almond Oil, Avocado Oil and Olive Oil, it deeply nourishes your feet, leaving them soft and smooth. DERMATOLOGICALLY TESTED

HOW TO USE

Apply to thoroughly cleansed feet and massage gently until fully absorbed. Repeat the treatment several times daily if necessary.
