DESCRIPTION

The Aurodhea Aloe Vera Mouthwash contributes to overall oral health, helping to prevent gum disease and protect teeth. Thanks to the presence of Aloe Vera and Mallow and Marigold extracts, it has a soothing and calming effect on sensitive gums. Tea Tree Essential Oil provides antiseptic and antibacterial properties, while Xylitol reduces oral acidity, protects against plaque, tartar and dental caries and combats bacterial proliferation. Finally, Eucalyptus extract exerts a refreshing and antiseptic action. The food colouring in the formula, based on chlorophyllin, is beneficial in cases of gingivitis as it helps accelerate healing.

DERMATOLOGICALLY TESTED

CPNP REFERENCE: 3195079

HOW TO USE

Use twice a day, after brushing your teeth. Pour 20 mL of product into a dosing cap and rinse for about 30 seconds. Do not swallow.

WARNING

Avoid release to the environment. Avoid any accidental damage or incorrect handling that might cause product leakage. Store in a cool, dry place away from heat sources.
