DESCRIPTION

Aurodhea Argan Oil Body Cream is a moisturizing treatment suitable for sensitive skin. The presence of Camomile Extract, known for its soothing and lightening properties, makes it suitable for skin showing flaking and redness. The formula contains Argan Oil, also known as 'liquid gold', whose stimulating action helps dull, atonic skin regain its natural radiance. This precious oil is rich in valuable ingredients for the beauty of the skin: Vitamins A, E and F, Linoleic Acid, Omega3 and Omega6, Flavonoids and Carotenoids. It is an excellent remedy for alleviating cellulite blemishes and also contains Sweet Almond Oil, Vegetable Glycerine and Tocopherol, which help restore the skin's natural hydrolipidic layer to achieve a youthful and moisturized skin. Shea Butter and Jojoba Oil nourish and protect the skin thanks to their nourishing and emollient properties. DERMATOLOGICALLY TESTED CPNP REFERENCE: 2911823

HOW TO USE

Apply a generous amount of the product after bathing or showering and massage until fully absorbed.

WARNING

Avoid release to the environment. Avoid falls, shocks and inappropriate handling that might cause spillage of the product. Store in a cool, dry place away from heat sources.
