BUSINESS PARTNER

Distributed by Aurodhea for Chogan Group S.p.A. Registered Office: via A. Olivetti, 24 ? 00131 Roma (RM) Headquarters: via A. Riccheo, 7 ? 76121 Barletta (BT) ITALY

DESCRIPTION

Aurodhea Slimming Body Cream with "intense heat" effect is designed for the specific treatment of cellulite. The ability of Capsicum to stimulate circulation and produce heat, combined with the decisive action of Cinnamon, Centella Asiatica, Camphor and Horse Chestnut, acts on the processes that regularise fluid circulation. It smoothes the skin and maintains its elasticity and tone. DERMATOLOGICALLY TESTED CPNP REFERENCE: 2885006

HOW TO USE

Apply approximately 20 mL of the product onto the areas of treatment (thighs, abdomen and hips) massaging in circular motions to enhance absorption. Application should preferably be made after showering and/or bathing and in the evening to promote drainage. Use 2 to 3 times a week. The presence of swelling and redness is normal and shows the functionality of the product.

WARNING

Not recommended on delicate skin, in case of capillary fragility, varicose veins, during pregnancy, breastfeeding and in case of thyroid disorders. Do not apply on damaged skin, avoid contact with eyes and mucous membrane. Use with caution, as it contains an active ingredient with a medium-high concentration that may cause irritation. Before application, patch test the reaction on a small area of the body.
