DESCRIPTION

The Olfazeta Scented Body Cream deeply nourishes the skin, leaving it pleasantly soft and scented. It releases its olfactory notes, enveloping the skin and releasing a persistent scent. Its formula is enriched with Silk Protein, Argan Oil and Sweet Almond Oil, which make the skin more elastic, particularly soft and silky, forming a thin, invisible film with a protective action. After just one application, the skin appears smoother, brighter and more even.

HOW TO USE

After bathing or showering, apply onto the body with a light massage until completely absorbed.
